MINI SESSIONS

MEET THE PHOTOGRAPHER

Helloooo, I'm Irene! Your friendly neighbourhood boudoir photog.

I shot my first boudoir session in the winter of 2019, and I have never looked back. Since then, I've had the privilege of collaborating with and empowering over 100 beautiful individuals!

I'll level with you - disrobing in front of a complete stranger can be pretty intimidating! However, rest assured, I am committed to ensuring you feel comfortable and at ease throughout the

entire session. How? By directing your poses every step of the way and enthusiastically cheering you on. I'm like your personal boudoir cheerleader!

Nearly everyone I've worked with has admitted to feeling nervous before their boudoir session... only to later express how I helped them forget their initial apprehension!

Trust in me, and I will guide you through this experience.

HOW MINIS WORK

Boudoir minis are a great way to dip your toes into a boudoir experience without committing to the full thing (although the full experience is a once in a lifetime experience and I highly recommend it hehe). A great option for those with a smaller budget or less time!

Mini sessions are only available out of The Loft Photo Studio in Hamilton.

FAQ;

Q: How do I book?

A: First thing's first! You'll send in an inquiry through the Contact page on my website. From there, we'll set up a consult call and chat about booking! You'll let me know which package you're interested in, I'll answer any questions you have, and we'll set a date!

Afterward, I will send you a contract and your booking will be confirmed upon receipt of payment.

Q: What is the turnaround time for my images & products?

A: You will receive your products within 4-6 weeks after your final image selection.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

There will be a clause in the contract for photo release.

Q: How would you describe your style?

A: Moody, romantic & sensual is the vibe! B&W images are some of my favourite to capture...

FAQ;

Q: Do you release raw, unedited images?

A: No, I do not. RAWs are only 50% of the magic - the editing is what brings it up to 100%! Your images will be delivered in high-resolution JPEG format.

Q: How does final image selection work?

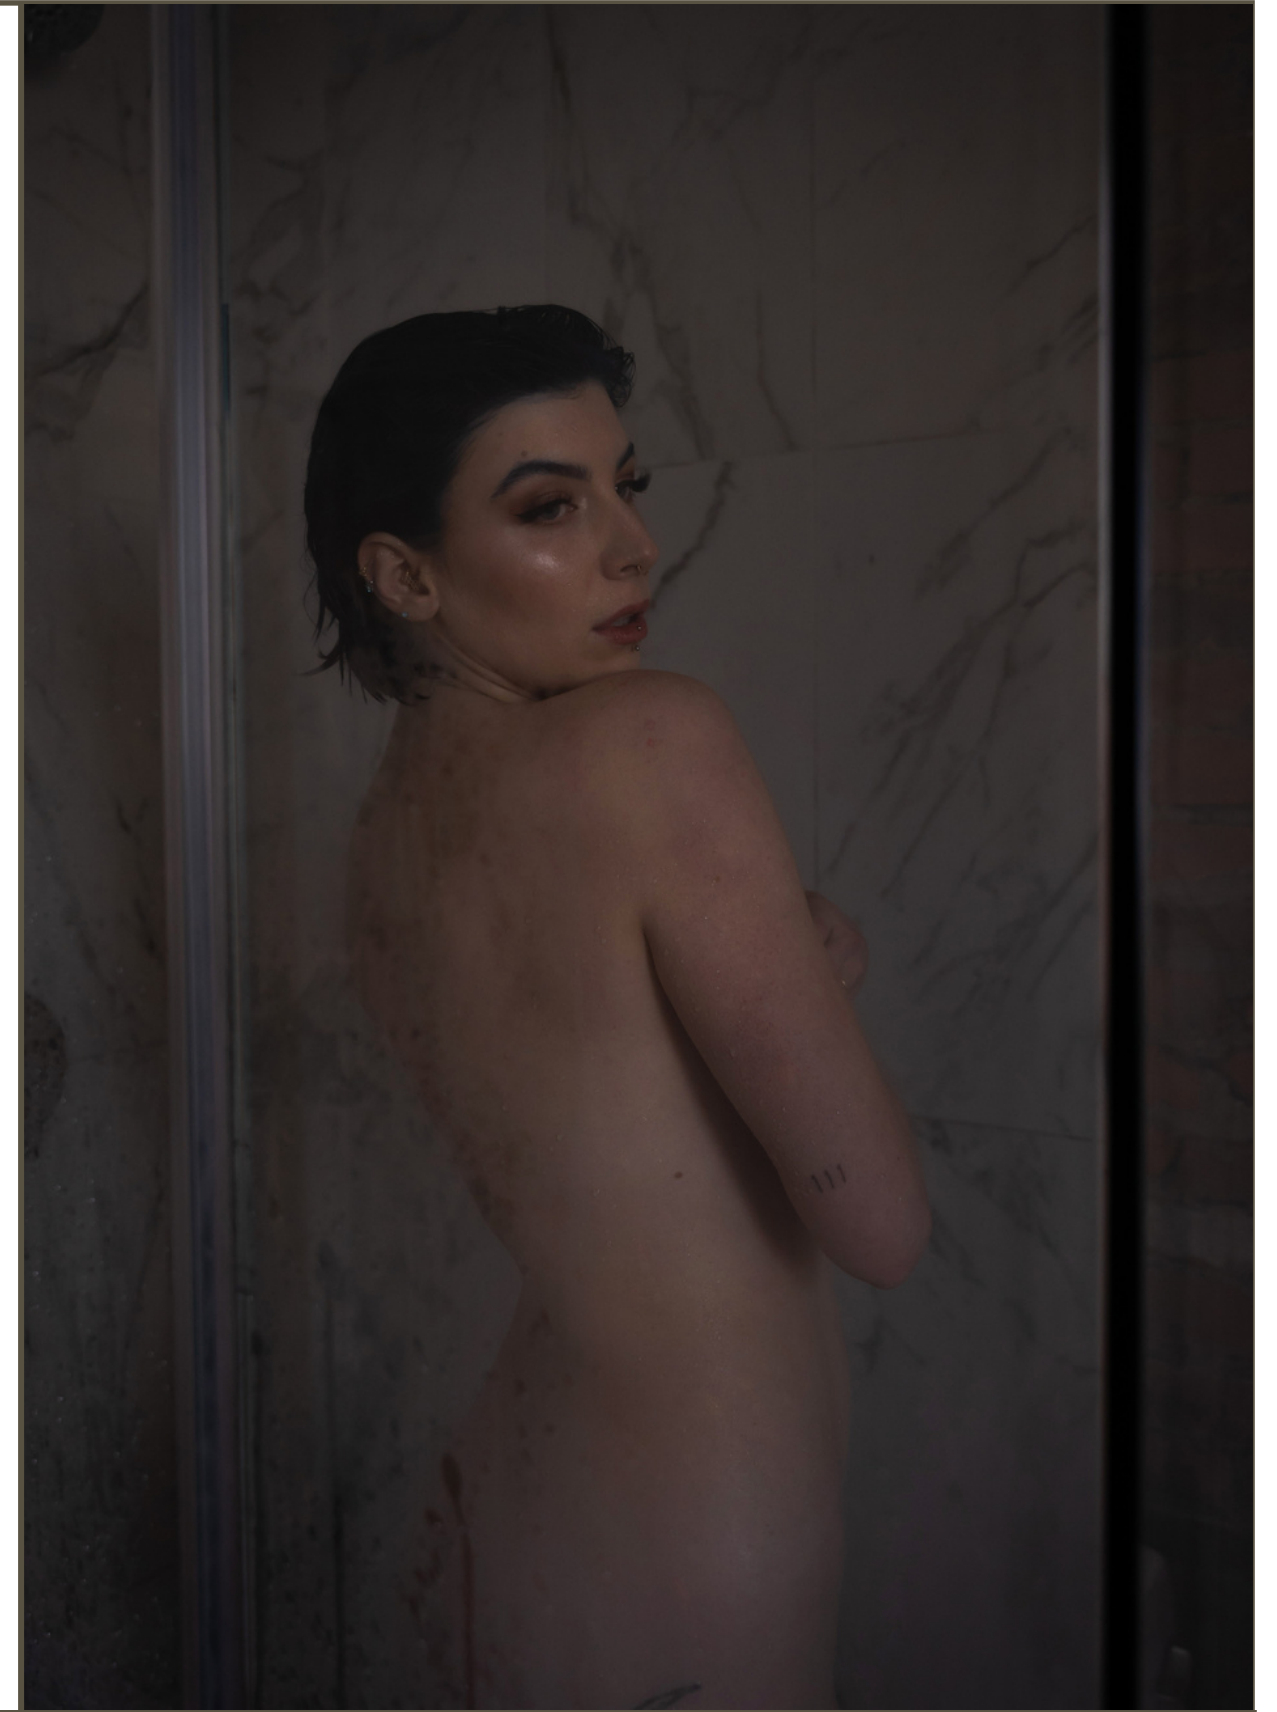

A: I use an online gallery platform called Pixieset. After your shoot, I will send you your proofs within 1 week for viewing through a password-protected gallery. In the same email, I will send you instructions for selecting your favourites, and once confirmed, I will get to editing!

Q: Do I get to take my polaroids home with me?

A: YES! No editing required, we shoot your polaroids and you take them straight home. No waiting required!

Q: What payment do you accept?

A: I prefer e-transfer, but offer credit card payments as well (3% surcharge applies)
