THE SANCTUARY STUDIO PACKAGES

# MEET THE PHOTOGRAPHER

---

Helloooo, I'm Irene! Your friendly neighbourhood boudoir photog.

I shot my first boudoir session in the winter of 2019, and I have never looked back. I'm so lucky to have worked with, and empowered, over 100 beautiful humans since then!

I'll level with you - getting naked in front of a complete stranger can be pretty intimidating! BUT - I promise I will do my absolute best to have you feeling comfortable and at ease throughout the

session. How? Well, I pose you the whole way & cheer you on like your own personal boudoir cheerleader (usually with really high-pitched squeals).

Almost every single person who's shot with me has mentioned they were nervous to do a boudoir session... and afterwards said I made them forget they were nervous in the first place!

Trust in me, and I will guide you through this experience.

# FAQ;

---

Q: How do I book?

A: First thing's first! You'll send in an inquiry through the Contact page on my website. From there, we'll set up a consult call and chat about booking! You'll let me know which package you're interested in, I'll answer any questions you have, and we'll set a date!

Afterward, I will send you a contract and your booking will be confirmed upon receipt of payment.

Q: What is the turnaround time for my images & products?

A: You will receive your products within 4-6 weeks after your final image selection.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

There will be a clause in the contract for photo release.

Q: How would you describe your style?

A: Moody, romantic & sensual is the vibe! B&W images are some of my favourite to capture...

# FAQ;

---

Q: How long does the session take?

A: If you are getting your makeup done, the total time will be up to 2HR at the studio (not offered at The Sanctuary).

If you have a session without makeup, the total time will be up to 1HR.

Q: Do you have a client closet?

A: Unfortunately, not at this time.

Q: Do you release raw, unedited images?

A: No, I do not. RAWs are only 50% of the magic - the editing is what brings it up to 100%! Your images will be delivered in high-resolution JPEG format.

Q: How does final image selection work?

A: I use an online gallery platform called Pixieset. After your shoot, I will send you your proofs within 1 week for viewing through a password-protected gallery. In the same email, I will send you instructions for selecting your favourites, and once confirmed, I will get to editing!
